

# Corporate Engagement Events

Looking for an exclusive, impact-focused team-building clean-up event for your business?

Our Corporate Engagement Program offers tailored and educational cleanup activities for businesses focused on making a difference, all organized by Keep Riverside Clean and Beautiful (KRCB). Your team will collaborate to enhance a local outdoor area of your choice, such as a nearby neighborhood, street, or park, anywhere in the City of Riverside!

## Who We Are

While in partnership with local government and private businesses, Keep Riverside Clean and Beautiful remains strong year round, building a sense of community pride with 29,913 volunteer hours organizing community beautification projects within the City of Riverside.

## Why Choose Us

### Environmental Education

Explore sustainability, recycling, and conservation to empower your team to make informed decisions both in and out of the workplace.

### Team Building

Enhance team cohesion by involving employees in hands-on environmental activities that benefit the community.

### Inspiring Change

Participants leave our sessions inspired to integrate sustainable practices into both their personal and professional lives.
