

***Chamber Member Wins Landscape Makeover...***

Congratulations to Sandy and Nick Ferguson of 7369 Breckenridge Drive in the City of Riverside. The landscape team worked closely with the Fergusons this summer and created a new waterwise front yard. The project manager was Ken Crowl and the design team was led by Ian Davidson Landscape Architecture. Brickman Landscape provided the installation and labor and The Toro Company supplied the irrigation hardware.

Special thanks to: Riverside Public Utilities, Western Municipal Water District, Custom Service Systems and Patty & Mike Blakely for their sponsorships to make this fundraising project possible for Keep Riverside Clean and Beautiful.
